Mr. MORELLE. Mr. Speaker, I yield myself the balance of my time.

Mr. Speaker, I do want to thank the gentleman, Dr. Burgess, a colleague and friend on the Rules Committee. I always appreciate hearing from him.

I think there are compelling issues here in this rule and the reasons that the House should adopt the rule.

The Protecting Older Workers Against Discrimination Act is a critical tool for so many Americans who are discriminated against in the workplace. It deserves our support. I am confident that it will pass the House, but we should remember how important it is, not only to those workers, but to the U.S. economy.

H.R. 239, the Equal Access to Contraception for Veterans Act, makes sure that women who have served and are veterans have the same rights that every other person in America has to not have to pay copays in order to receive contraception from their healthcare policy.

We also take up critical legislation regarding LGBTQ businesses, to make sure they get equal access to credit and equal access to investments. H.R. 1443 would require lenders to start to gather information on those businesses that are owned by LGBTQ individuals.

The CRAs, in my judgment, Mr. Speaker, are all well-informed, and they do focus on the policies, policies which, frankly, we don't agree with here in the House and which the Senate didn't agree with. The Senate has passed these on to us in bipartisan fashion, so these aren't simply questions of whether or not we approve of the previous President. This is about the policies themselves, and they have found themselves here to be voted on because our colleagues across the corridor in the Senate agree with us that these rules ought to be overturned using the CRA process.

This is an important rule. It affects millions of Americans in so many ways.

Mr. Speaker, I urge a "yes" vote on the rule and the previous question.

The material previously referred to by Mr. Burgess is as follows:

AMENDMENT TO HOUSE RESOLUTION 486
At the end of the resolution, add the following:

SEC. 12. Immediately upon adoption of this resolution, the House shall proceed to the consideration in the House of the bill (H.R. 18) to prohibit taxpayer funded abortions.
